"Escapade en Véhicules Anciens" (vintage car rides along the Lot Valley) is born from Sandrine and Franck Galissaire two passions : vintage cars and regional heritage. Even their 3 young children are now involved in this adventure and love exploring new routes.

The "Escapades"

The catalog offers more than 60 different routes (lasting from 1 to 7 days), available for self drive hire along the Lot Valley or with a driver who will guide you through this beautiful area and its history. Some of the rides include a plane or boat trip to

see the Lot Valley from another perspective. The rides can include nights in gites or chambre d'hotes, dinner and picnic for lunches. See enclosed document for some examples.

If you can't find what you want, Franck and Sandrine will always adapt their offer to your requirements and built a made-to-measure program for you.

Partnership

They work with local tourist offices and tour operators to offer you the best holidays.
